Play of the Day: R2 WPS on #7 Lucas Long Step... Class move might provide the rebound to a contending effort. If that 15-1 holds up an exacta box also might pay - consider using 2-3-5 in the mix with the #7.

GULFSTREAM – DICK POWELL

Race Six: #6 MACH MY DAY – Horse for the course usually runs his race on any dirt track. He returned off a nine-week layoff last out and was an even third in good time and now drops down in class for Allen Iwinski. Javier Castellano picks up the mount. 6, 9, 10 (BET BET)

Race Ten: #10 PERFECT TAY – Horse for the course rallied from far back to just miss on the Tapeta at Woodbine three starts back going short then ran evenly there but ran into traffic late. He came back with a good effort on the Tapeta and now returns to the turf off a 43-day layoff. Son of PERFECT SOUL draws the rail and gets Luis Saez. Turf: 1, 6, 10 Dirt: 12, 2, 5 (BEST BET)

SANTA ANITA – SCOTT BENJAMIN

Play of the Day: 2 in 8th. There is no confirmed front runner in here and he has shown speed in the past so hoping he goes and gets brave.

GULFSTREAM – BRIAN NADEAU

I will be providing to Capital OTB bettors our new betting sheet with expert picks, exacta and double plays, as well as early/late pick 4 tickets. For both pick 4 plays I will include a matrix where I use the A horse and B horse method. Included in my A horse selections will be my "potential single" to offer patrons my most likely winner in each race. For both the early and late Pick 4s, I will provide two tickets; ticket 1 will include just my A horses and my larger ticket 2 will include a bigger ticket with my A and B horses.
