KEENELAND– BRIAN NADEAU

I will be providing to Capital OTB bettors our new betting sheet with expert picks, exacta and double plays, as well as early/late pick 4 tickets. For both pick 4 plays I will include a matrix where I use the A horse and B horse method. Included in my A horse selections will be my "potential single" to offer patrons my most likely winner in each race. For both the early and late Pick 4s, I will provide two tickets; ticket 1 will include just my A horses and my larger ticket 2 will include a bigger ticket with my A and B horses.
