### **Overall View**

The Louisiana Derby card is fantastic at The Fair Grounds Saturday afternoon and the highlight is the Louisiana Derby. Race twelve has a field of fourteen in the race and the ML favorite is Enforceable who ran second in the Risen Star at The Fair Grounds earlier in the meet. Julien Leparoux will have the riding assignment for Mark Casse. Fair Grounds is a tough place to go wire to wire at, and Enforceable has a serious closing kick which we saw last time out. Wells Bayou will be one speed horses in the race and put up a fantastic effort last time out at Oaklawn Park in the Southwest. The horse has been working well for Brad Cox and ran very fast numbers in Arkansas. The horse will have to go wire to wire at a tough place to win on the front end. However, he showed a great game effort last time out and should do the same again today.
